Rev. Jeff Biggs

Dear Parents,

In a little more than two weeks, "it" begins!!! "It" is our LOGOS ministry, and we are hoping that your children will be among the participants. LOGOS is for two year olds through the twelfth grade.

With all kinds of pressures working to shape the minds of our children and youth, the challenge of the church is immense to effectively influence our children and youth to live lives consistent with the Christian faith. The LOGOS Program is proven in achieving this goal. The format of the Program provides an arena within which Christian relationships will be formed and nurtured and within which Christian discipleship will be understood and practiced.

Do you realize that the typical person spends more time in one year studying math in school than they do in five years of Church School learning about the Christian faith?

The LOGOS Program gives us an opportunity to deal with this problem creatively. By spending one night a week, twenty weeks during the year, we can not only teach our children and youth, but we can establish relationships and attitudes that are not possible through any other means.

The LOGOS Program has been scheduled for Wednesday evenings beginning August 29th, 6:00 PM. The fall semester will conclude on November 14th. The weekly sessions will include periods for Bible Study (for adults as well), Recreation, and a Family Time/dinner hour. We will end the evening with the children and their family's gatherings in the sanctuary for a time of worship and prayer.

Included in this letter is a registration form that is to be returned to the church no later than August 26th. The fees for LOGOS are \$35 for the first child, \$30 for the second child, \$25 for the third child and \$0 for subsequent children. These fees are to be included with the returned registration form. There will also be scholarships available. To find out more information, please see someone on the LOGOS Board.

Yours in Christ,

LOGOS Board
